

Instructions for downloading SFNF Motor Vehicle Use Maps on Android Devices

Go to Avenza at the following link	http://www.pdf-maps.com/android/beta
Scroll down until you see the green box	
Register with Avenza and then click Submit	
Follow instructions on the Avenza webpage, the App is not available in the Play Store at this time due to the Beta test but will be in the future	
Once you have installed PDF-Maps on your Android phone go to the SFNF Travel Management webpage and download the pdf versions of the maps from in the GeoPDF Travel Aid	http://www.fs.usda.gov/detail/santafe/landmanagement/projects/?cid=stelprdb5412097
Once you have downloaded the maps, click on them and your phone will ask you what application you want to open it with select PDF-Maps.
